

## Autumn Newsletter 2017

We love this time of year in the salon as it's a time to inspire change and think about what you want to achieve from your Autumn/Winter looks. This season's colours are all about warmth and shine, from warm blondes and smokey brunettes to rich vibrant reds. Ask your stylist to advise you on the perfect colours to suit your skin tone.

**THE SALON IS ULTRA BUSY AT THE MOMENT SO MAKE SURE YOU BOOK AHEAD TO AVOID DISAPPOINTMENT**

This season's hair is all about the strength and power of women, from bold plaits and powerful full fringes to soft romantic waves and beautiful accessories which express femininity.

Trends like balayage and baby lights will continue to be popular, but the term 'hair painting' will be one to watch!

Hair colour is an opportunity for self-expression so for those of you that are colour shy, why not try Paul Mitchell's new range of semi - permanent colours. They can add depth and shine and beautifully condition the hair!

PLEASE ARRIVE IN GOOD TIME FOR YOUR APPOINTMENT, WE ARE EXTREMELY BUSY AND LATENESS MAY RESULT IN A SHORTER SERVICE OR IN SOME CASES THE APPOINTMENT MAY NEED TO BE REBOOKED

A 50% deposit may now be requested for longer technical appointments due to the length of time a stylist needs to be booked. We will advise you of this at the time of booking.

Thank you for your understanding in this matter. Clients who repeatedly fail to show for booked appointments may also be asked to pre-pay for their appointments.
